

Creative Beginnings Parents,

We are very excited about all of the wonderful events we have planned for the month of May. We will be starting our end-of-the-year spring unit with fun topics that include each of the following: rainy weather, rainbows that follow the rain, flowers, and we will end the school year with our bugs and butterflies unit.

Classroom Reminders:

- We could use lots of volunteers to bring food, or to be on either the set up or clean up crews for the luau on May 22nd! A list will be on the lockers outside of the classroom. Any help is very appreciated!
- Summer camps are starting to fill up, so please bring in your registration forms if you are planning to have your child attend these fun events!
