CREATIVE BEGINNINGS MISSION STATEMENT

As preschool is often the first time in a classroom for many children, we believe it is essential to provide a positive and enjoyable experience as the building block to a successful education. We strive to make every activity both fun and educational so that the students may get the most from their time socially and academically, fully preparing each child for the next level of education.

ABOUT THE DIRECTOR/OWNER

Ms. Kristy - I began my career by focusing on my own education, earning a degree in Human Services and Early Childhood Education as well as studying American Sign Language. Along with over fifteen years of experience, I have continued attending classes, seminars, and conventions in order to stay current with the ever-growing field and provide the best experience for my students. I have taught in a variety of classrooms including three-year-olds, four-year-olds and Pre-Kindergarten as well as Early Childhood Music, Sign Language, and Fitness, and I am confident that these experiences have prepared me to better assess and assist the development of my students.

CLASS DESCRIPTIONS

Preschool Jr. - Preschool Jr. is the perfect class for our youngest students! This class is designed to be a jump start into our preschool programs, with children working hard through play on basic socialization skills and early literacy and math skills. All children must be working on potty training before their first day and provide pull ups in their back packs to teachers can change them.

Preschool Program - The three-year-old class will focus on the building blocks of early education. In class, we will work on important social skills that will help each child to make and keep friends. This class will also include activities designed to promote basic letter recognition, number recognition and other age-appropriate academics. All children must be fully potty trained before their first day.

Multi-Age Program- The multi-age class is geared for children ages three to five. The class curriculum will have projects that challenge students academically as well as socially. Children will be encouraged to grow their cognitive, language, and motor skills in the most creative and educational ways. Three year old students must be entering their second year of school or have permission by the director to enroll in the Multi-Age program.

Pre-K Program - The Pre-K class is designed to encourage individual growth in each curriculum domain. Adding an extra focus on letter recognition, cognitive skills and writing skills as well as working to further advance the children's social skills, we help each child to be prepared for kindergarten and beyond. Pre-K children must be four years of age by September 1st.

Literacy Club- This extension of our Pre-K program is offered to students on Friday afternoons from 12:15pm-1:30pm. The additional hour of class time will focus on the literacy and cognitive skill needed for kindergarten readiness. Each day will have a letter- based theme and will follow the Jolly Phonics lessons. Pre-K children must be four by September 1st.

*Each class will include an introduction to Jolly Phonics, basic yoga, Spanish, and sign language.

- If, after redirection, the situation occurs again, the student and teacher will have a one-on-one conversation about the child's actions and how we will work to improve them.

The staff is prohibited from using any of the following as a form of guidance/discipline:

BIRTHDAYS

- We encourage children to celebrate birthdays in class with a gift **or** a snack! Children are welcome to bring in a special gift to share with their classmates. Some examples are a favorite book, a special toy or an item that the birthday child thinks the other students would enjoy sharing. - All items must be in original packaging and include a complete ingredient label.
- Creative Beginnings is a **peanut and tree nut sensitive school**. Please do your best to only bring food and snacks that do not contain peanuts and/or tree nuts as they will not be served.

EMERGENCY MEDICAL CARE POLICY

In case of a medical emergency requiring medical assistance, Emergency Services will be called immediately. The school will also inform the parents immediately. If the parents cannot be reached, the school will contact the emergency number that is provided. The child will be transported by ambulance to the nearest hospital.

HEALTH CARE, EMERGENCY MEDICAL CARE, AND ACCIDENT PROCEDURES

Parents/Guardians need to sign a release form stating that they give permission for Creative Beginnings staff to seek medical treatment for their child. This is required before the child begins the program.

Parents need to provide a signed release form with their cell phone, work number, and two other emergency contacts. In an emergency, we will attempt to notify the parents first and then call the next authorized contact. Parents will receive notification of any illness, accident, or injury after treatment.

If a child is exempt from medical care based upon religious beliefs, the parents/guardians must provide a written statement along with phone numbers, names of contacts, and the service of a certified practitioner. If none of the above can be reached and the staff feels it is a life-threatening situation, the local emergency staff will be called to assist the child.

- Creative Beginnings Preschool is insured as a program but does not offer individual insurance for the students.

HEALTH CHECKS AND ATTENDANCE POLICY

School is important to children of all ages. Regular attendance at school, even preschool, is important to help your child grow and mature. Please make every attempt to be sure that your child is able to attend every day and is on time for the start of the class. However, when a child is sick, it is best for everyone, including the child, to stay home when the child does not feel well. At Creative Beginnings, we do our best to promote a healthy environment for your child.

It is the policy of the school that the staff shall conduct a daily, pre-admission screening to determine if the child has obvious symptoms of illness. If a child becomes ill at school, a parent/guardian will be called to take the child home. The child will be isolated from the other students in class until a parent/guardian is available.

A child with any communicable disease should be kept at home. Examples of communicable diseases include but are not limited to the following: temperature of 100 degrees axillary, vomiting or diarrhea (2 or more episodes in a 24-hour period), influenza, chicken pox, lice, pink eye, measles, mumps, pinworm, ringworm, impetigo (contagious skin sores), scabies, or any unidentified rash.

We also require that all confirmed communicable diseases are reported to Creative Beginnings. If any confirmed cases of communicable diseases are reported, a sign will be posted for all parents/guardians with the symptoms to watch for.

All students must be symptom-free for 24 hours before returning to the school.

Please note, if your child will not be attending class for the day, we ask that you please notify the staff through Tadpoles or by calling the school at (630) 365-9955 or emailing prior to the start of the school day.

MEDICATION POLICY

- All medications must be labeled with the child's first and last name.
- Medicines are located in a central location and kept out of children's reach.
- Medications are never dispensed without prior parental written permission.
- Expired medications will not be dispensed.
- Only emergency-type medication will be accepted and will be administered as per doctor's instructions.
- No teacher will be able to accept medications. All medication must be handed directly to the Director with the required forms (The emergency action plan must be filled out by the doctor along with a permission slip.)

- Creative Beginnings follows the Kaneland Community School District 302 for inclement weather days.
- Inclement weather information will be shared through a Tadpoles text, an email and the Facebook page.

SCHOOL HARASSMENT POLICY

 - Preschool Jr. ratio: 1:8
 - Preschool ratio: 1:10

CHEMICALS and SUPPLIES

All chemicals and potentially dangerous products will be stored out of reach of the children or in a locked cabinet.

DROP-OFF PROCEDURES

- Upon arrival, a parent or guardian must sign the child in and accompany him/her to the classroom.
- Personal items such as coats and backpacks will be stored in the child's cubby at the beginning of class.
- We discourage children from bringing toys to school (including inside their backpacks) unless otherwise specified by the teacher for a special occasion. All toys must be left in the car or with an adult.
- Children will not be permitted to enter the classroom until the designated start time. Students shall be prepared to start on time as the first activity will start promptly at the beginning of class.
- Parents need to release children to the teacher outside the classroom. Long drop-offs are hard on young students. Please be ready to say a quick goodbye when the teacher opens the door for the beginning of class.
- Please note-- for the safety of the children, the classroom door will only be open for the first 10 minutes of class or until all the students arrive. If a student is more than 10 minutes late, he/she must ring the doorbell on the classroom door to enter as it will be locked after the beginning of class.

PICK UP PROCEDURES

- Parents are asked to wait outside the classroom until the conclusion of class.
- Parents must sign children out on the clipboard located outside the classroom before the child will be released.
- Children will only be released to those parents or guardians authorized in writing.
- Individuals listed under the “Authorization For Pick Up” consent form must show a valid picture ID before the teacher will release the child.
- A temporary pick-up authorization must be filled out by the parent prior to the release of the child.

LATE PICK UP

- Parents/guardians shall make every effort to pick up students promptly at the conclusion of class.
- Parents must notify their teacher by calling the school if they will be more than 5 minutes late.
- Parents will be responsible for paying a fee of \$10 if they are more than 10 minutes late and \$1 for every minute thereafter.
- After 15 minutes late, with no contact from the parents, the school will try to contact the family by phone. They will continue calling every 15 minutes until contact has been made. For the safety of the children, it is of the utmost importance to always have the most up-to-date contact information on file. Please remember to promptly update information when receiving a new phone number or if you have moved to a new address.
- The staff at school will care for the child for an hour. If parents and/or other emergency contacts (listed on the enrolment forms) are not reached after an hour’s time, the school will call the appropriate authorities as per DCFS regulations. The staff is responsible for caring for the child until the parent(s) or guardian(s) arrive or until outside authorities can assume responsibility for the child.
- The staff shall not hold the child responsible for the situation, and discussion of this issue will be held only with the parent or guardian, and never with the child.

GUIDANCE AND DISCIPLINE POLICY

Guidance/discipline will be consistent for each and every situation at school. It is the school's policy to provide guidance and discipline when it is developmentally appropriate and is realistic to the situation. When it becomes necessary to provide guidance/discipline, the following steps will be followed:

- All rules will be kept simple and easy for the children to follow.
- All rules will be consistent for every child in the program.
- If a situation occurs, the child will be redirected to an appropriate activity.
- If, after redirection, the situation occurs again, the student and teacher will have a one-on-one conversation about the child's actions and how we will work to improve them.
- If the situation continues, the parents will be informed.

The staff is prohibited from using any of the following as a form of guidance/discipline:

- Hitting, shaking, pinching, spanking or any other forms of corporal punishment.
- Depriving the student of snack or toilet use.
- Mental or emotional cruelty.
