Summer Camps 2019

June 10th-20th "Reading Road"

On the Reading Road students will leap through discoveries with Curious George, explore the ocean with Rainbow Fish, count and color with Pete The Cat, and even create their own characters to explore the world around us. Our imagination is the only limit in this page turner of a camp!

July 8th-18th "Scientific Super Heroes"

Students will become Scientific Super Heroes as they measure weights with the strength of Superman and Wonder Woman, discover the animal kingdom with Catwoman and Aquaman, and study insects with Antman and The Wasp. Discover the headquarters of learning in this super camp!

July 29th- August 8th "Team S. T. E. A. M."

Students will join Team S.T.E.A.M. and learn science, tech, engineering, arts, and math as they design, build, and create inventions and experiments that will unveil the wonders of the world. Build for the future today in this camp!

Camp days are Monday- Thursday 9:15am to 11:45am

At Creative Beginnings Preschool

525 N. Main St. Elburn

Cost is \$150 per session.

Ages 3 to 6
