

## Creative Beginnings Parents,

We had a great start to the new school year! It was wonderful to finally have our new students start and to see our many returning students! Our theme for the month of September is "All About Me" where we will be learning about our friends, families and our school.

## Classroom Reminders:

- Make sure to send your child in comfortable clothing and school shoes that are appropriate for the classroom. We also require all footwear to be close toed for their safety while playing.
- For the first few weeks, please help your teachers out by telling them the name of your students you are picking up as you walk up to the door. It can be very difficult right now with masks, hats and sunglasses.
- For all families driving to school, please use the transportation line to pick up and drop off your student.
- If you have not done so already, visit [tadpoles.com](http://tadpoles.com) to sign in to your child's account.
- It is important to review your tadpoles report daily as your teachers will be using it to communicate important information.
- Did you know you can also communicate with your teachers through tadpoles. Click "Drop off notes" to leave a note for your teachers or mark a student absent!
- Thank you to all of our families for helping your students practice with their mask. Everyone has been doing great! Please ensure the mask your student wears to school fits them well and covers their mouth and nose appropriately.

## Tuition:

There are a few ways to pay tuition:

- Check: Checks can be dropped into the grey drobox. Be sure to ALWAYS add your students name and the month you are paying for in the memo line.
- Tadpoles: Each month you will receive an invoice where families can pay through tadpoles. Please note that the invoice will have the 3% convenience fee added in for all tuition.
