

Dear Parents,

Hello, I hope everyone had a great Halloween! All of the teachers wanted to send out a big thank you to everyone who helped make our Halloween parties a big success! The children all had an amazing time!

For the month of November we will be learning about community helpers. We will focus on police officers, firefighters, doctors/nurses, dentists, veterinarians, mail carriers, construction workers and many more! We will be inviting a few parents to do a short, 10-minute presentation on their jobs. If you would like to volunteer to speak in your child's class, please let me know ASAP. Thanks!

Classroom Reminders

- Pre- K conferences (for all students going to kindergarten next year) will be the week of November 15th. An email with a sign up page will be sent out later this week. This round of conferences will only be for the Pre-K aged students. There will be another round of conferences later in the year for all underclassmen.
- Please note that **we will have school** on conference days because the conference times are scheduled for the late afternoon and evening.
- Please remember to put your child's name and the month you are paying for in the memo portion of each tuition check and or Paypal Note.
- Don't forget to label all items brought into school including coats and water bottles!
- Most importantly, with cold and flu season approaching we ask that all of our families follow our health and safety standards set in our Covid Action Plan. If you child has ANY symptoms they must:
 - See a doctor to get a negative covid test with a note with an alternate diagnosis AND be symptom free for 72 hours
- OR
- Skip the covid test and wait the full 10 days before returning to class
- We know this is an inconvenience but it is the best interest to our students, staff and families to ensure we are doing our best to keep everyone healthy.

Important Dates in November
