

## Creative Beginnings Parents,

Hello, I hope everyone had a great holiday and we are excited to see you all again soon!

As we head into month of January, we will feature our “Amazing Animals” theme. The first week we will learn about zoo animals. The second week will have a pet theme. The third week is all about forest animals, and the last week will learn about water animals.

## Classroom Updates:

### Winter Clothing

- Don't forget to practice independence at home with your child's winter clothing.
- A space will be available in the lobby to keep wet boots if your child brings dry shoes
- Don't forget to update your child's spare clothing in their backpack for winter.

### Enrollment For Fall 2023

- We will be starting our enrollment for next fall for current families beginning Tuesday January 17th. A copy of the re-enrollment papers are attached to this email. Paper copies will be available at the school as well. General enrolment for all other enrollments will begin January 30<sup>th</sup>. Please be sure to turn in your students paperwork and enrollment fee ASAP to ensure you get into your preferred class.
- We will be hosting an open house for prospective families on January 26<sup>th</sup> from 4:30-6:30pm. Please be sure to tell your friends!

### Photo Orders and Retakes

- Don't forget to order your class photos! Please follow this link to order:  
[https://dahlinphotography.shootproof.com/gallery/Creative\\_Beginnings\\_2022/](https://dahlinphotography.shootproof.com/gallery/Creative_Beginnings_2022/)
- Retakes are scheduled for January 24<sup>th</sup>. If you child is in class this day, let your teacher know you would like them to sit for with the photographer for retakes. If you child is not in class this day please email the director to schedule a time to come in to sit with the photographer.

### Pet Week

- Our pet themed week is January 17<sup>th</sup>. Please bring in a 3x5 picture of your family pets. Be sure to add your child's name and the pets names to the back.

### Supplies

- Teacher's have been doing a wonderful job keeping our classrooms clean and sanitized but we have already gone though our supply of Lysol wipes! We could use additional donations please.

### Tax Receipts

- Did you know you can write of your tuition on taxes? Log into your tadpoles account on your computer. Click the payments/invoice tab to print out receipts for your accountant. Email the school if you need additional documentation.

**Enrollment for fall 2023 starts January 17<sup>th</sup>.**

<b>Regular</b>	\$170	\$170	\$210	\$205	\$262	\$262	\$75

## **CLASS DESCRIPTIONS**

**Preschool Program** - The three-year-old class will focus on the building blocks of early education. In class, we will work on important social skills that will help each child to make and keep friends. This class will also include activities designed to promote basic letter recognition, number recognition and other age-appropriate academics. All children must be fully potty trained before their first day.

**Multi-Age Program**- The multi-age class is geared for children ages three to five. The class curriculum will have projects that challenge students academically as well as socially. Children will be encouraged to grow their cognitive, language, and motor skills in the most creative and educational ways. Three year old students must be entering their second year of school or have permission by the director to enroll in the Multi-Age program.

**Pre-K Program** - The Pre-K class is designed to encourage individual growth in each curriculum domain. Adding an extra focus on letter recognition, cognitive skills and writing skills as well as working to further advance the children's social skills, we help each child to be prepared for kindergarten and beyond. Pre-K children must be four years of age by September 1<sup>st</sup>.

**Literacy Club** - Literacy Club is an extension of our Pre-K program. The additional class time will focus on the literacy and cognitive skills needed for kindergarten readiness. Each day will have a letter based theme and will follow jolly phonics lessons. Because the class size is limited, the program offers low teacher to student ratios that allow for more personalized time to practice all the skills needed for to transition into kindergarten.
